WORK EXPERIENCE

Wordpress Assistant

Healthy aligned living, Edmonton (Remote)

Mar 2025-Nov 2025

As a WordPress Assistant, I helped build and update responsive websites by customizing themes, managing plugins, and uploading content. I solved basic layout issues, improved site speed, and ensured mobile-friendly performance. I also supported eCommerce updates and worked with the team to deliver smooth, user-friendly websites.

Supervisor

Chandan Janitorial services ltd, calgary, Canada

Jan 2023-Mar 2025

I manage daily office operations and supervise staff to ensure tasks are completed accurately and on time. I assign duties, support team members, maintain productivity, and uphold company standards. I handle scheduling, record keeping, performance monitoring, and communicate key updates to management to keep operations running smoothly.

Freelance Web Designer

Apr 2018-Nov 2022

I design and develop responsive, user-friendly websites for clients by creating clean layouts, customizing themes, and improving overall UI/UX. I collaborate with clients to understand their goals, update content, troubleshoot issues, and ensure sites remain functional, secure, and aligned with their brand. I also optimize website performance to improve speed, accessibility, and overall user engagement.

Operations Administrator

Hotel Zenith, Punjab, India

May 2018-Nov 2022

I oversee daily team operations by assigning tasks, guiding staff, and ensuring work is completed efficiently. I manage scheduling, performance reviews, and quality standards while keeping management informed. I also update website layouts and content, improve UI/UX, troubleshoot technical issues, and ensure the site remains secure and responsive.
